**STAFF'S THIRD SET OF DATA REQUESTS TO NETWORK US, INC. D/B/A CA
AFFINITY
DOCKET NO. T-04013A-02-0949**

Responses are provided by Becky Heggelund, Regulatory Assistant on behalf of Monica B. Haab, Esq., Nowalsky, Bronston & Gothard, APLLC, 3500 N. Causeway Blvd., Suite 1442, Metairie, Louisiana 70002. Telephone (504) 832-1984 Fax (504) 831-0892, email bheggelund@nbglaw.com or mhaab@nbglaw.com.

- JFB1-1 Response: Revised application attached as Exhibit A.
- JFB1-2 Response: See responses to JFB1-3 through JFB1-6.
- JFB1-3 Response: The maximum rates listed in the company's tariff were approximately 50% higher than the company's current actual rates as set forth in the Current Price List. No minimum rates were listed in the tariff.
- JFB1-4 Response: The rates charged by the company are reasonable using a competitive market analysis. Using the rates of resellers offering comparable service in Arizona, Network US' rates were average in comparison. A matrix indicating Network US' and three competitors rates are attached as Exhibit B, along with corresponding tariff sheets.
- JFB1-5 Response: The rates charged by Network US are just and reasonable using a fair value or cost basis since the rates charged are sufficiently above Company's costs for the service to enable the company to operate on a profitable basis, without being so high as to eliminate the Company from being viable in a competitive market. No supporting materials are available.
- JFB1-6 Response: See Exhibit C attached, which provides a matrix of Network US' charges in Arizona, and their comparison rates in Alabama, Idaho and Florida. The rates charged in Arizona are comparable to the rates offered in the additional states.
- JFB1-7 Response: No.
- JFB1-8 Response: The Company intends to provide service to only residential and business end user customers.
- JFB1-9 Response: The Company intends to provided interexchange telecommunications services to retail customers in Arizona.
- JFB1-10 Response: The Company does not intend to provide interexchange telecommunications services to wholesale customers in Arizona.

JFB1-11 Response: See Exhibit D attached.

2. Toll Free Service Termination

Customers who terminate service prior to the end of the service term as selected by Customer will be liable for a cancellation charge which shall be calculated as follows: Cox shall re-rate Customer's usage for services provided up to the date of termination by charging Customer the difference between the monthly rate for the service term selected by Customer and the rate for service applicable to the longest term plan for service the Customer could have satisfied prior to discontinuance and multiplying this difference by the number of minutes of service actually provided to Customer. All per-minute charges for each month shall be at the per-minute charge based on rate associated with Customer's highest MOU for the month. Cox bills in six-second increments and rounds up to the nearest six-second increment. If this Call Plan is terminated prior to the expiration of the selected term, or Customer fails to meet all of the conditions set forth in this tariff, Cox may, at its option: (i) re-rate Customer's usage as provided in this Section or (ii) charge Customer the standard rates for service under this tariff up to the date of termination, which ever is greater.

Example: Customer signs a three-year term agreement. At the end of the eleventh month, the Customer terminates the agreement and transfers the toll-free service to another carrier. All usage to-date would be re-rated from the three-year term rate to the month-to-month rate.

Example: Customer signs three-year term agreement. At the end of the thirteenth month, the Customer terminates the agreement and transfers the toll-free service to another carrier. All usage to-date would be re-rated from the three-year rate and volume to the one-year rate and volume.
